Re: United States v. Melman, et. al. 2:08-CR-132

Dear Judge Wigenton:

With the full consent of AUSA Anthony Moscato, it is respectfully requested that the court extend the Defendant's surrender date for a period of 30 days, from October 13, 2010 to November 13, 2010. The reason for this request is that Defendant's father who resides in Canada has fallen gravely ill and Defendant wishes to see him before he begins to serve his sentence. The Defendant requests that the court grant this humanitarian relief.

I will serve a copy of this on the U.S. Marshall's Service, and in turn on the BOP Designation & Sentence Computation Center.

Respectfully submitted,

Robert J. DeGroot, Esq.

cc: Anthony Moscato
